BUILDING A STRONG FINANCIAL FOUNDATION
SATURDAY, OCTOBER 28, 2017
3:00pm—3:45pm
Presenter: Fe M. Orbigoso, EA, CPA, NTPI
Financial Consultant – WFG & President of
Jupiter Financial Center

Fe and Allen Orbigoso, along with their two sons John and Adrianne, is a family that makes their business mission as their personal mission: One million families need to be financially educated by the year 2020.

She is the President of Jupiter Financial Center, an organization committed to helping and empowering Americans from all walks of life with the tools and education to better their lives. Fe lives by the adage, "Give a man a fish and he will eat for the day. Teach a man to fish and he will eat for the rest of his life". Fe strives to show people the truth about their economic situation to give them the means to eat for the rest of their lives. Participants will learn how to build a Build a Strong Financial Foundation. This entails the necessary steps of having proper protection for our loved ones in case we pass away unexpectedly. Having a emergency fund for the smaller "what-ifs" in life like when the car needs maintenance, job loss, or even medical care.

HEALTH & WELLNESS – A Non-prescriptive option to pain relief
SATURDAY, APRIL 21, 2018
2:00pm-2:45pm
Presenter: Gary Reid – President
PAXSONITE

Our mission is to provide natural pain relief based on the ancient wisdom of traditional natural medicines. We accomplish this by adhering to balanced standards of value, quality and profitability. Our efforts provide us with satisfied customers, a prosperous livelihood for our employees and suppliers, a consistent financial return for our investors, and a superior reputation in the natural health care industry.

Mr. Reid is the former CEO of Center One Technologies Inc., which specialized in the implementation and designing of VoIP applications. With over 20 years of extensive experience in the communications industry, he was responsible for managing Bytelco Inc.'s National and International Business footprint with services to IDT, AT&T, Sprint, MCI and numerous 2nd and 3rd tiered carriers.

He is a graduate from the University of Cincinnati in Criminal Justice and played professional football for several years. As a professional athlete and suffering many injuries during his career he was personally very motivated as he co-developed the Paxsonite formula. Seeing the miraculous affects of the formula first hand, he committed himself to bring this formula to market.
